all about that

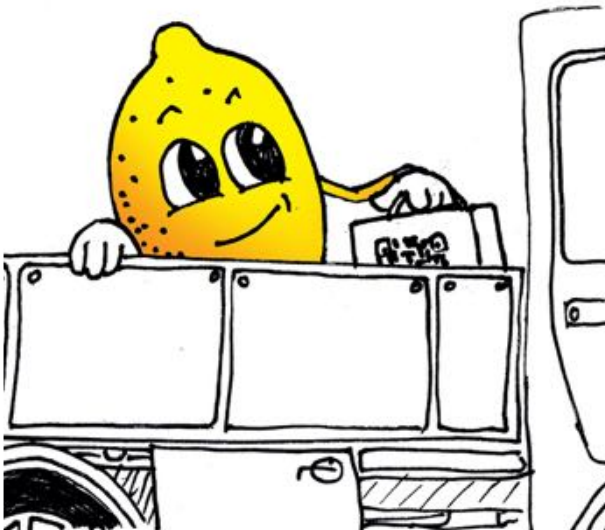

*This is Matt Lemon
and here is the story of his lemon life*

4/4

**His owner can now convert
his EatsCoin into real Euro
and get paid to eat him!**

Eats Coin usage options :

- Convert to Euro/Dollar
- Reward producer
- Plant tree to compensate CO₂ impact
- Make "societal action" with selected NGOs

**We all deserve to know
what we eat everyday.**

Together, let's build a world where the food market would be **100% transparent** and **trusted data fully available to everyone** from tree to fork!
